Subject: Grant of Accreditation

Dear Sir,

With reference to the Final Assessment (held during 15<sup>th</sup> & 16<sup>th</sup> March 2018) of your laboratory, please note that the assessment report has been evaluated at NABL. In view of the same, I am pleased to inform grant of accreditation to your laboratory as per ISO/IEC 17025: 2005 for the Chemical and Mechanical disciplines of testing field for the scope and authorised signatories recommended by assessment team.

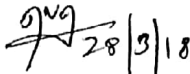

This accreditation is subject to the continued compliance of the NABL norms and satisfactory Onsite Surveillance assessment during the accreditation period. Being an accredited laboratory of NABL, you must fulfill all the Term and Conditions laid down in the document NABL 131. You shall refer and follow NABL 133 while using the NABL symbol (for claiming the NABL accreditation).

The Accreditation Certificate No.: TC-7075 for the Chemical and Mechanical disciplines of Testing field with issue date 27-03-2018 and valid till 26-03-2020 is under preparation and will be forwarded to you shortly.

You are also required to submit the 4 Year PT Plan versus Compliance for the entire scope in line with Form 18 of NABL 163. I will appreciate, if you would send me the soft copy (in MS Word Format) of the recommended scope (Form 72) through e-mail after incorporating the above mentioned points.

Kindly acknowledge the receipt of the above.

Yours sincerely,

 28/3/18
