

PRESS RELEASE

Patiala 26th January, 2021

72nd Republic Day was celebrated at Diesel Loco Modernization Works, Patiala, a Production Unit of Indian Railways, with a lot of flavor and gaiety. Shri S. N. Dubey , Principal Chief Administrative Officer hoisted the National flag followed by playing the National Anthem in the presence of PHODs/HODs, DyHODs , Staff Council & SC/ST Associations. In view of Covid-19 Pandemic, the other Officers & Staff of DMW and the general Public was not invited for the Republic Day celebration. Administrative Building was decorated with lights. Social distancing, wearing masks, & other preventive measures were followed strictly by those attended the function.

Shri Dubey while addressing the gathering highlighted the performance of DMW employees in achieving production figure of Rs. 1238 Crore during nine months of the current financial year even after the adverse environment of COVID-19. DMW manufactured 36 new WAP7 Electric Locos & 57DETC (Diesel Electric Tower Cars). DMW has a target of manufacturing 105 WAG9H Loco, 16 WAP-7 Loco and 85 DETC in the next financial year 2021-22.

Paying rich tributes to martyrs, Shri. Dubey reminded DMW staff the qualities like patriotism, hard work, unity, mutual co-operation and justice were the need of the hour so that our hard earned "Freedom" could be preserved forever.

While concluding, he appealed to all DMW employees to maintain National Integration and harmony and strive continuously to improve the quality and production of DMW and maintaining environment friendly standards and also stressed to follow strictly the guidelines such as Social distancing, wearing masks, etc to avoid spread of covid-19 pandemic in DMW and society at large.
